BIBLE PUZZLE 5

Fill in the missing words of the following poem with the title "A faithful saying" (based on 1 Timothy 1:15) by Cornelius R. Stam:

A faithful saying this,
The heart of heaven's scheme:
Christ Jesus came into the world
Vile sinners to

For love of sinful men
He left His throne on high
And stooped to bear th' accursed cross,
For sinful men to

Nor did He only save
From hell and to come,
But raised us from our sinful state
To dwell on high with Him.

How great, how infinite,
The debt of love we owe!
How can we now do less than live
For Him who loved us?
